Parent/Teacher Tip

Model holding a book correctly, locating the cover and title, then sweeping a finger left to right under each word. Repeat with a simple digital text.

I can...

- | | |
|---|---|
| ☐ name parts of a book. | ☐ show where reading starts. |
| ☐ track print left to right. | ☐ notice words and spaces. |

Support and extend

Use sticky notes to label a real book. Extend by finding a title, picture, sentence, page and digital button independently.
