

Spelling — Prefixes un-, re-, dis-

Year 3 · un-, re-, dis-

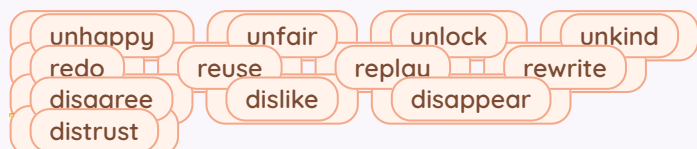

ACARA V9.0 — AC9E3LY09, AC9E3LY10 (Phonic and word knowledge: less common letter patterns and generalisations for spelling)

Learning Intention: Students will identify, spell, and use words featuring **un-**, **re-**, **dis-**, and apply a strategy for remembering tricky spellings.

Pattern Focus

The prefixes **un-** and **dis-** usually mean ‘not’ or the opposite, and **re-** means ‘again’. Adding a prefix to a base word changes its meaning without changing its spelling.

Parent/Teacher Tip: Ask your child to cover the prefix and read the base word first (happy), then add un- back on — it shows the prefix as an add-on, not part of a whole new word to memorise.

For teachers and parents: use this page to check student responses across both worksheet pages.
