LEARNING TARGET

I can identify and use conjunctions, prepositions, and interjections.

KEY STRATEGY + WORKED EXAMPLE

Determine each word's job: conjunction connects, preposition shows relationship, interjection expresses reaction.

Wow! The hikers rested beside the creek because the trail ahead was steep, yet they continued after lunch.

A. TRY TOGETHER - USE THE STRATEGY

1. Name the skill in today's learning target.
2. Underline the words in the model or source that matter most.
3. State the first step of the strategy.
4. Explain what a complete answer must include.

B. CORE PRACTICE - SHOW YOUR WORK

5. Identify the function of conjunctions, prepositions, and interjections in the source or model.

6. Explain its job or meaning in context.

7. Find or create a second accurate example.

8. Label the important word, phrase, or clause.

9. Write a non-example.

10. Correct the non-example.

11. Use the skill in a complete original sentence.

12. Explain how the skill improves meaning, clarity, or style.

C. INDEPENDENT FLUENCY - CALCULATE AND CHECK

13. Write one correct example.

14. Label the target feature.

15. Write a different example.

16. Revise it to create a different effect.

17. Edit one sentence containing an error.

18. Explain the correction with a rule.

19. Check punctuation and spelling in an earlier answer.

20. Write a rule a classmate could follow.

Conjunctions, Prepositions, and Interjections

D. APPLY THE SKILL

21. Complete a full function of conjunctions, prepositions, and interjections response using at least two details from the source.

22. Evaluate which evidence is strongest for the function of conjunctions, prepositions, and interjections and justify your choice.

23. Create a new example that uses the same skill, then explain it.

E. REASON, CHECK AND CORRECT

24. Explain why this strategy works and when it is useful.

25. Describe a likely mistake and show how to correct it.

EXIT TICKET + CHALLENGE

26. Apply conjunctions, prepositions, and interjections to a new example and explain your evidence or rule.

Challenge: Create a rigorous example of conjunctions, prepositions, and interjections, complete it, and justify every decision.

F. STUDENT REVIEW - SHOW WHAT YOU UNDERSTAND

Use your own words so your teacher can see what you understand and what to practise next.

27. Explain one strategy you used today.

28. Check one answer in a different way.

29. Circle one: I understand it | I need more practice | I need help

30. The easiest part was: _____

31. The most difficult part was: _____

Why was it difficult? _____

32. My next practice step is: _____

TEACHER COPY - ANSWERS AND SUPPORT

ANSWER KEY

- A. 1) Skill correctly named. 2) Relevant words identified. 3-4) Answers vary; require the stated strategy and complete-response criteria.
- B. 5) Wow; beside/after; because/yet. 6) Reaction, relationship, connection. 7-12) Answers vary; classification must be based on function and punctuation must be correct.
- C. 13-20) Answers vary. Require an accurate function of conjunctions, prepositions, and interjections, relevant evidence or rule, clear explanation, and correct conventions.
- D. 21) Complete response with two relevant details. 22) Strongest evidence should be specific and directly support the function of conjunctions, prepositions, and interjections: Wow expresses reaction; beside/after show relationships; because/yet connect ideas. 23) New example varies but must transfer the same skill.
- E. 24-25) Answers vary. Require precise reasoning and a corrected example supported by the text or rule.
- EXIT. 26) Teacher checks independent transfer, evidence/rule, explanation, and conventions.
- Challenge: Answers vary. Check that the student's example follows every condition and that the reasoning is mathematically correct.
- F. 27-28) Answers vary. Look for a clear strategy and a valid second check. 29-32) Use the reflection to identify confidence, difficulty and the next teaching step.

COMMON MISCONCEPTIONS

Students may classify from memorized lists. Identify the word's function in the specific sentence.

TEACHER CHECK

- ☐ Uses an appropriate Grade 5 ELA strategy.
- ☐ Shows or explains thinking clearly.
- ☐ Checks a response using evidence, a rule, or a second method.
- ☐ Identifies a specific difficulty and useful next practice step.

PARENT / TEACHER TIP

Ask the child to explain how they know, not only state an answer. Have them point to the text evidence or language rule, then revise one response aloud.

NEXT STEP

Revisit the item the child marked difficult. Model one example, solve one together, then ask the child to complete one independently and explain the strategy.
