LEARNING TARGET

I can interpret similes, metaphors, personification, idioms, and their effects.

KEY STRATEGY + WORKED EXAMPLE

Translate nonliteral language, identify the device, and explain its image, mood, or emphasis.

The wind whispered through the pines while the moon was a silver coin above us. Jay said the final hill was a piece of cake.

A. TRY TOGETHER - USE THE STRATEGY

1. Name the skill in today's learning target.
2. Underline the words in the model or source that matter most.
3. State the first step of the strategy.
4. Explain what a complete answer must include.

B. CORE PRACTICE - SHOW YOUR WORK

5. Identify the figurative language and its effect in the source or model.

6. Explain its job or meaning in context.

7. Find or create a second accurate example.

8. Label the important word, phrase, or clause.

9. Write a non-example.

10. Correct the non-example.

11. Use the skill in a complete original sentence.

12. Explain how the skill improves meaning, clarity, or style.

C. INDEPENDENT FLUENCY - CALCULATE AND CHECK

13. Write one correct example.

14. Label the target feature.

15. Write a different example.

16. Revise it to create a different effect.

17. Edit one sentence containing an error.

18. Explain the correction with a rule.

19. Check punctuation and spelling in an earlier answer.

20. Write a rule a classmate could follow.

Name: _____

Date: _____

D. APPLY THE SKILL

21. Complete a full figurative language and its effect response using at least two details from the source.

22. Evaluate which evidence is strongest for the figurative language and its effect and justify your choice.

23. Create a new example that uses the same skill, then explain it.

E. REASON, CHECK AND CORRECT

24. Explain why this strategy works and when it is useful.

25. Describe a likely mistake and show how to correct it.

EXIT TICKET + CHALLENGE

26. Apply figurative language and meaning to a new example and explain your evidence or rule.

Challenge: Create a rigorous example of figurative language and meaning, complete it, and justify every decision.

F. STUDENT REVIEW - SHOW WHAT YOU UNDERSTAND

Use your own words so your teacher can see what you understand and what to practise next.

27. Explain one strategy you used today.

28. Check one answer in a different way.

29. Circle one: I understand it | I need more practice | I need help

30. The easiest part was: _____

31. The most difficult part was: _____

Why was it difficult? _____

32. My next practice step is: _____

TEACHER COPY - ANSWERS AND SUPPORT

ANSWER KEY

- A. 1) Skill correctly named. 2) Relevant words identified. 3-4) Answers vary; require the stated strategy and complete-response criteria.
- B. 5) Personification: wind whispered; metaphor: moon was a silver coin; idiom: piece of cake. 6) Soft wind, bright round moon, easy hill. 7) Answers vary. 8) Device correctly labeled. 9-10) Non-example corrected. 11-12) Accurate original use and effect.
- C. 13-20) Answers vary. Require an accurate figurative language and its effect, relevant evidence or rule, clear explanation, and correct conventions.
- D. 21) Complete response with two relevant details. 22) Strongest evidence should be specific and directly support the figurative language and its effect: whispered creates calm; silver coin creates a bright round image. 23) New example varies but must transfer the same skill.
- E. 24-25) Answers vary. Require precise reasoning and a corrected example supported by the text or rule.
- EXIT. 26) Teacher checks independent transfer, evidence/rule, explanation, and conventions.
- Challenge: Answers vary. Check that the student's example follows every condition and that the reasoning is mathematically correct.
- F. 27-28) Answers vary. Look for a clear strategy and a valid second check. 29-32) Use the reflection to identify confidence, difficulty and the next teaching step.

COMMON MISCONCEPTIONS

Students may only label the device. Require literal meaning and the effect on imagery or tone.

TEACHER CHECK

- ☐ Uses an appropriate Grade 5 ELA strategy.
- ☐ Shows or explains thinking clearly.
- ☐ Checks a response using evidence, a rule, or a second method.
- ☐ Identifies a specific difficulty and useful next practice step.

PARENT / TEACHER TIP

Ask the child to explain how they know, not only state an answer. Have them point to the text evidence or language rule, then revise one response aloud.

NEXT STEP

Revisit the item the child marked difficult. Model one example, solve one together, then ask the child to complete one independently and explain the strategy.
