

Sentence or Fragment?

AC9EFLA05

Recognise a complete idea

Name: _____

Date: _____

I am learning to...

tell whether words make a complete sentence or an unfinished fragment.

1. Learn the difference

A sentence tells a complete idea. A fragment is missing who, what happened, or both.

SENTENCE

The dog runs.

Complete idea

FRAGMENT

The brown dog

What did it do?

2. Sentence or fragment?

Write S for sentence or F for fragment.

The cat sleeps.

—

under the table

—

Mia kicks the ball.

—

the tall tree

—

Birds can fly.

—

running very fast

—

3. Find the complete idea

Circle the sentence in each pair.

The frog jumps. / the green frog

at the park / We play at the park.

Sentence or Fragment?

AC9EFLA05

Page 2

4. Answers vary; each response must express a complete idea.
5. The dog is wet. Sam has a red hat. We can jump. 6. Answers vary.

Parent/Teacher Tip

Read each group of words aloud and ask: Does the idea feel finished? Who or what is it about? What happened?

I can...

☐ recognise a complete idea.☐ identify a fragment.☐ finish an incomplete idea.☐ use a capital and full stop.

Support and extend

Use oral sentences before writing. Extend by asking the child to explain exactly what information a fragment is missing.
