

Word Parts and Plural -s

AC9EFLY15

Notice meaningful parts in familiar words

Name: _____

Date: _____

I am learning to...

understand that adding s can change one thing into more than one.

1. One or more than one?

Say each word pair. Circle the word that means more than one.

cat / cats

dog / dogs

cup / cups

hat / hats

book / books

star / stars

2. Build the plural

Add s. Read the new word.

pen + s = _____

pig + s = _____

sock + s = _____

tree + s = _____

ball + s = _____

kite + s = _____

3. Match word to meaning

Draw one object for the singular and two for the plural.

one star

Draw:

two stars

Draw:

Read and use base words plus s

Name: _____

Date: _____

I am learning to...

separate a familiar base word from the plural word part s.

4. Split the word

Draw a line between the base word and s.

cats

dogs

cups

hats

books

stars

5. Choose one or more

Circle the word that completes the sentence.

I see two (cat / cats).

One (dog / dogs) is sleeping.

Three (cup / cups) are blue.

The (star / stars) shine at night.

6. Make and draw

Choose a base word. Write one form and the plural form, then draw both.

One: _____

More than one: _____

Draw below each word.

Answer key and parent/teacher support

Name: _____

Date: _____

Answer key

Page 1

1. cats, dogs, cups, hats, books, stars.
2. pens, pigs, socks, trees, balls, kites. 3. One star / two stars drawings.

Page 2

4. cat|s, dog|s, cup|s, hat|s, book|s, star|s.
5. cats, dog, cups, stars. 6. Answers vary.

Parent/Teacher Tip

Use real objects to show one and more than one. Say the base word first, then add s and explain the changed meaning.

I can...

☐ find a base word.☐ add s to show more than one.☐ read a simple plural.☐ choose singular or plural.

Support and extend

Keep examples regular and familiar. Extend by finding plural words in a shared book and identifying the base word.
