Name: _____ Date: _____

LEARNING INTENTION

I can recognise and use the special words that belong to different learning topics.

I CAN…

- ✓ sort topic words by subject
- ✓ choose the right word to finish a sentence
- ✓ use topic words in my own writing

KEY STRATEGY AND WORKED EXAMPLE

Every subject has its own **topic words**. If you know the topic, you can work out which words belong.

Maths	Science	Our World
add, shape	plant, seed	map, country

A. TRY TOGETHER – USE THE STRATEGY

1. **Sort the topic words.** Write each word from the word bank in the right box.

add • habitat • map • subtract • plant • community • shape • seed • past • total • insect • country

Maths	Science	Our World

B. CORE PRACTICE – FILL THE GAP

Choose from: **map • total • habitat • seed**

2. We use a _____ to find places.
3. To find the _____, add 3 and 4.
4. A _____ is a home for plants and animals.
5. A baby plant grows from a _____.

B. CORE PRACTICE (CONTINUED)

6 **Which word does not belong?** Circle it and say why: triangle circle square seed

_____

7 **What does "habitat" mean?** Tick one.
☐ a type of shape ☐ the place where a plant or animal lives ☐ a way to add

8 Write a sentence using the word **community**.

_____

_____

C. CHALLENGE – REASON AND WRITE

9 **Disagree or agree?** Tia says, "Habitat is a Maths word." Do you agree? Explain.

_____

_____

_____

10 Write **two sentences**: one with a Science word and one with a Maths word. Underline each topic word.

_____

_____

_____

_____

11 Write **3 more topic words** you know. Say which subject each one belongs to.

_____

_____

_____

Watch Out! Some words can be used in more than one subject. Think about how the word is used in the sentence.

💡 **Parent Tip:** When your child talks about school, ask "What topic word did you learn today?" Try using that word in a sentence together at home.

🎯 My Term 1 Goal: This term I want to get better at _____

🎒 Back to School 2027 Warm-Up

Name: _____ Date: _____

ANSWERS

1. Maths: add, subtract, shape, total. Science: habitat, plant, seed, insect. Our World: map, community, past, country.

2. map

3. total

4. habitat

5. seed

6. seed (the others are shapes, which are Maths words)

7. the place where a plant or animal lives

8. Open response. For example: Our community has a park and a library.

9. Disagree. Habitat is a Science word because it is about where living things live. Maths words are about numbers and shapes.

10. Open response. Check both sentences make sense and each topic word is used correctly and underlined.

11. Open response. Check each word matches the subject chosen.

TEACHER NOTES

Common misconception: sorting words by how they sound or look instead of what they mean. Ask students to say what each word is about before sorting.
Support: use picture cards and a word wall for each topic, or sort the words on strips of paper.
Challenge marking: Q9 look for a reason linked to meaning. Q10 both sentences should use topic words correctly. Q11 accept any reasonable topic words.
Australian Curriculum v9.0: AC9E1LA09 (Year 1 review): recognise the vocabulary of learning area topics.
