Year 4 Writing - Informative Report - Answer Key

For teachers, parents and tutors

Teacher Notes

Look for factual information, headings or grouped ideas, topic vocabulary and clear sentences. Support students to separate facts from opinions.

Sample Response / Success Guide

Example: Koalas live in eucalyptus forests and woodlands. They eat mainly eucalyptus leaves, which provide food and some moisture. Although koalas sleep for many hours, they are well adapted to climbing trees with strong claws.

What to Look For

Look for: clear purpose, organised ideas, topic vocabulary, full sentences, correct punctuation and at least one revision/improvement.

Parent Tip - At Home

At home, choose an animal toy or photo. Ask, "What are three facts we can say without guessing?" Then make a mini report together.

Teacher Tip - In Class

Provide a simple fact bank. Students highlight facts in different colours for appearance, habitat and behaviour before writing.

Mini Rubric and Next Step

Mini rubric:

- 4 - Clear purpose, organised ideas and careful editing.
- 3 - Good ideas with some detail and mostly correct punctuation.
- 2 - Ideas are beginning, but more detail or structure is needed.
- 1 - Needs support to plan, write and reread.

Next step choices: add detail, replace a weak word, check punctuation, or read the writing aloud.
