LEARNING INTENTION

I am learning to read a decodable passage using blends, digraphs and common sight words.

READING STRATEGY

Look for blends at the start of words (fl, tr, st, cl, gr). Sound out each part, then blend. Re-read sentences that do not make sense.

READ THE PASSAGE — READ IT 3 TIMES!

Lily and her dad went to the beach.

The sand was warm and soft under her feet.

Lily splashed in the shallow water.

She found a striped shell near the rocks.

Her dad taught her to build a sandcastle.

They patted the walls until they were smooth.

A wave came and knocked it down!

Lily laughed and said, "Let's build another one!".

VOCABULARY HELPER

shallow = not deep striped = having lines of colour

taught = showed someone how to do something patted = touched gently with your hand

knocked = hit something so it fell

After the beach or a park visit, ask your child to write or draw 3 things they saw. This connects real-world experience to literacy skills!

TEACHER TIP

Focus on the character's positive attitude. Discuss resilience. Ask: 'What does Lily's response tell us about her character?'
