LEARNING INTENTION

I am learning to read a decodable passage using blends, digraphs and common sight words.

READING STRATEGY

Look for blends at the start of words (fl, tr, st, cl, gr). Sound out each part, then blend. Re-read sentences that do not make sense.

READ THE PASSAGE — READ IT 3 TIMES!

My pet rabbit is called **Clover**.

Clover has soft, white **fur** and pink ears.

She likes to **hop** around the garden.

One day, Clover **dug** a big hole near the fence.

She **squeezed** through the gap!

I found her in the **neighbour's** garden, eating their lettuce!

I carried her home and **filled** the hole.

Clover just **twitched** her nose and looked at me.

VOCABULARY HELPER
