LEARNING INTENTION

I am learning to read a decodable passage using blends, digraphs and common sight words.

READING STRATEGY

Look for blends at the start of words (fl, tr, st, cl, gr). Sound out each part, then blend. Re-read sentences that do not make sense.

READ THE PASSAGE — READ IT 3 TIMES!

A small ant found a large green leaf.

"This will make a great shelter!" said the ant.

She dragged the leaf across the hot ground.

It was very heavy, but she did not stop.

Three friends came to help.

Together, they pulled the leaf to their nest.

They tucked it over the entrance like a roof.

Now they were safe from the rain.

VOCABULARY HELPER
