LEARNING INTENTION

I am learning to read a decodable passage using blends, digraphs and common sight words.

READING STRATEGY

Look for blends at the start of words (fl, tr, st, cl, gr). Sound out each part, then blend. Re-read sentences that do not make sense.

READ THE PASSAGE — READ IT 3 TIMES!

A green frog sat on a log.

The frog had bright eyes and long legs.

It liked to jump into the pond.

Splash! went the water.

The frog ate a fly for lunch.

Then it climbed back onto the log.

The sun was warm and the frog felt glad.

It let out a big croak.

VOCABULARY HELPER
