LEARNING INTENTION

I am learning to read a decodable passage using blends, digraphs and common sight words.

READING STRATEGY

Look for blends at the start of words (fl, tr, st, cl, gr). Sound out each part, then blend. Re-read sentences that do not make sense.

READ THE PASSAGE — READ IT 3 TIMES!

Zara got a small robot for her birthday.

The robot was called Bolt.

Bolt had shiny silver arms and a round head.

Every morning, Bolt stacked the books on the shelf.

He swept the floor and sorted the pencils.

One day, Bolt tripped on a toy and fell down.

Zara fixed him with a small screwdriver.

"Thank you," said Bolt, and blinked his blue lights.

VOCABULARY HELPER

shiny = bright and gleaming

stacked = piled things on top of each other

swept = cleaned the floor with a brush

tripped = caught a foot on something and fell

screwdriver = a tool used to fix screws

WARM UP — BEFORE YOU READ

If you had a helpful robot, what would you ask it to do? Write one sentence:

4. How did Zara fix Bolt?

B — THINK AND INFER!

1. Why do you think Bolt said 'Thank you' at the end?

2. What does 'shiny silver arms' tell us about Bolt? Circle one:

He is clean and new

He is broken

C — WORD WORK!

Find 3 action verbs Bolt does in the morning:

Write a rhyming word for 'Bolt':

D — DESIGN IT!

Draw your robot here

Name: _____

Date: _____

PARENT TIP

Ask your child: 'What does a robot need to work properly? How is a robot like a human? How is it different?' Great for creative thinking!

TEACHER TIP

Use this passage to discuss fiction and technology. Compare real robots with story robots. Ask: 'Could a robot really do these things?'
