

Name: _____

Date: _____

Australian Curriculum v9.0 Aligned | AC9MFN03

LEARNING INTENTION

I am learning to count and compare collections up to 20 and explain my thinking.

WARM UP — COUNT WITH ME!

Count the objects in each group. Write the number in the big box.

* * * * *

Count: _____

o o o o o o o o o o o o o o

Count: _____

A — COUNT AND WRITE

Count each collection. Write the number in the big box.

+ + + + + + + +

I count: _____

x x x x x x x x x x x x x x x x

I count: _____

B — BIGGER OR SMALLER?

Write > or < in the circle:

15 ○ 8

6 ○ 13

C — WHICH IS MORE?

Circle the group with MORE objects:

Group A

= = = = = =
(6 objects)

Group B

= = = = = = = =
= =
(9 objects)

The bigger group is: _____

D — MY OWN COLLECTION

Draw a collection of exactly 16 objects in the big box:

I drew _____ objects.

FUN REAL-LIFE ACTIVITY

Toy Box Count! Put a handful of toys in a basket. Count them. Add 3 more — how many now? Take 2 away — how many left?

STUDENT REFLECTION

[] I can count collections to 20

[] I can say which group has more

[] I can explain my counting

TEACHER FEEDBACK

TIPS

Parent: Count everyday objects together — socks in laundry, books on a shelf, or steps to the letterbox!

Teacher: Provide counting collections bags with loose objects. Students count, record and compare with a partner.
