The Lost Lunchbox

Mia put her blue lunchbox on the bench. Inside it was a cheese sandwich, a small apple and two crackers.

At play time, Mia ran to the oval with her friends. She skipped, laughed and chased a soft red ball. When the bell rang, Mia went back to the bench. Her lunchbox was gone.

Mia felt worried. She looked under the bench. She looked near the bag hooks. Then she saw Jack holding a blue lunchbox.

"Is this yours?" asked Jack. "I found it beside the library door."

Mia smiled. "Yes, thank you!" she said. Mia sat with Jack and shared one cracker. Jack grinned. It was a kind lunch time.
