

Animals Need Care

Year 1 Science | Living Things

Name: _____

Date: _____

ACARA v9.0 Target: AC9S1U01 - Living things have basic needs, including food and water.

Learning Intention

I can identify what animals need to stay healthy and safe.

Mini Lesson

Animals are living things. Most animals need food, water, air, shelter and space. A safe habitat helps an animal meet its needs.

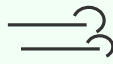

Vocabulary Picture Cards

food

water

air

shelter

space

A. Practise

Circle the things an animal needs:

food toy car
water shelter
pencil air
space

B. Quick Think

Draw a line to match.

Fish -> water
Bird -> air
Dog -> food
Rabbit -> shelter

Then say one full sentence about an animal need.

Animals Need Care

Year 1 Science | Living Things

Name: _____

Date: _____

ACARA v9.0 Target: AC9S1U01 - Living things have basic needs, including food and water.

C. Sort and Think

Sort the words into the two boxes. Read each word carefully before you decide.

Need

food, water, air, shelter, space

Not a Need

toy, pencil, television

D. Science Detective

Choose one animal. Write two things it needs. Then explain how people can care for it.

E. Draw and Label

Draw an animal in a safe home. Label one thing the animal needs.

I Can Checklist

- ☐ I can name animal needs.
- ☐ I can sort need/not need.
- ☐ I can explain one idea.

Animals Need Care - Answer Key

Year 1 Science | Teacher and Parent Support

Name: _____

Date: _____

ACARA v9.0 Target: AC9S1U01 - Living things have basic needs, including food and water.

Answer Key

A: Circle food, water, shelter, air and space.

B: Fish-water, Bird-air, Dog-food, Rabbit-shelter. Accept other sensible matches if explained.

C: Need - food, water, air, shelter, space. Not a Need - toy, pencil, television.

D/E: Answers vary. Look for a real animal need and a simple caring action.

Parent/Teacher Tip

Talk about a familiar pet or Australian animal. Ask: What does it need? Where does it live? How do we know?

Extension Idea

Compare two animals. Which needs are the same? Which needs are different?
