

Day and Night Sky

Year 1 Science | Earth and Space

Name: _____

Date: _____

ACARA v9.0 Target: AC9S1U03 - Observable changes occur in the sky and landscape.

Learning Intention

I can compare things I notice during the day and at night.

Mini Lesson

During the day we often see the Sun and clouds. At night the sky is darker and we may see the Moon and stars. We observe the sky safely.

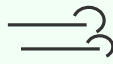

Vocabulary Picture Cards

day

night

clouds

stars

observe

A. Practise

Write D for day or N for night.

The sky is dark. ____

I can see the Sun. ____

I get ready for sleep. ____

I play outside at lunch. ____

B. Quick Think

Circle things you might see in the day sky.

Sun Moon clouds stars rain

Remember: sometimes the Moon can be seen in the day too.

Day and Night Sky

Year 1 Science | Earth and Space

Name: _____

Date: _____

ACARA v9.0 Target: AC9S1U03 - Observable changes occur in the sky and landscape.

C. Sort and Think

Sort the sky words. Some things can belong in both if you can explain why.

Mostly Day

Sun, bright sky, school time

Mostly Night

stars, dark sky, bedtime

D. Science Detective

Why should we never look straight at the Sun? Write one safety sentence.

E. Draw and Label

Draw a day sky and a night sky. Label one thing in each sky.

I Can Checklist

- ☐ I can name day features.
- ☐ I can name night features.
- ☐ I can observe safely.

Day and Night Sky - Answer Key

Year 1 Science | Teacher and Parent Support

Name: _____

Date: _____

ACARA v9.0 Target: AC9S1U03 - Observable changes occur in the sky and landscape.

Answer Key

A: 1 N, 2 D, 3 N, 4 D.

B: Sun, clouds and rain. Accept Moon if explained.

C: Mostly Day - Sun, bright sky, school time. Mostly Night - stars, dark sky, bedtime. Accept thoughtful explanations for Moon or clouds.

D/E: Students should say not to look directly at the Sun because it can hurt eyes.

Parent/Teacher Tip

At morning or evening, look at the sky together and ask: What has changed?

Extension Idea

Keep a three-day sky observation note with one drawing each day.
