Year 1 Maths - 3D Objects and Features

Australian Curriculum v9 | AC9M1SP01

LEARN IT - look, say and notice

Model: A cube has flat square faces and can stack. A sphere has one curved surface and rolls. Features help us classify objects.

Remember: Name what you can see or test: flat/curved surfaces, stacking, rolling and shape of faces.

A. TRY IT TOGETHER

1. Which rolls best: sphere or cube?

2. Name one object shaped like a cylinder.

3. How are a cube and rectangular prism alike?

B. MY PRACTICE

1. Sort cone, cube and sphere into rolls/does not roll.

2. Which objects can stack? Explain.

3. Count the flat faces on a cube.

4. Name the 2D face shape on a cube.

5. Describe a cylinder using two features.

C. I CAN DO IT

Choose two 3D objects. Draw, label and compare their features.

Year 1 Maths - 3D Objects and Features

Australian Curriculum v9 | AC9M1SP01

D. USE IT IN A REAL SITUATION

Select shapes for a toy tower: one base, one middle and one top. Explain choices using features.

E. CHECK AND EXPLAIN

1. Can a cylinder both roll and stack? Explain.

2. Why is colour not usually a useful geometric feature?

MY LEARNING REVIEW

☐ I can do it. ☐ I need a little help. ☐ I need more practice.

I understood:

I found this difficult:

PARENT / CARER TIP

Use safe household packages. Ask what rolls, slides or stacks and why.

Year 1 Maths - 3D Objects and Features

Australian Curriculum v9 | AC9M1SP01

COMPLETE ANSWER KEY

Guided	Sphere; examples include can; both have flat faces and can stack.
Practice	Cone/sphere roll; cube does not; flat-faced objects stack; cube 6; square; 2 flat circular faces and 1 curved surface.
Independent	Accurate labelled comparison.
Application	Many answers; justification should use stability, flat or curved surfaces.

TEACHER NOTES - what to notice

Success evidence: Makes, compares and classifies shapes and objects using obvious features.

Common difficulty: Calling every box a cube or counting edges as faces.

Next step: Build one object from two or more 3D components.

QUICK CONFERENCE RECORD

☐ Secure ☐ Developing ☐ Re-teach
