Year 6 English | A School Repair Club?

Learn and notice | Separate claims, reasons and evidence

Aussie Primary Academy | Writing Growth

Name: _____ Date: _____

Learning intention

I can support a claim with relevant evidence and acknowledge its limits.

Learn from this example

Our school should trial an adult-supervised repair club for simple classroom items. Repairing suitable items could reduce replacements.

Fictional practice record: of 20 damaged pencil cases checked in one class, eight had loose seams that an adult judged repairable. This supports trying repairs on some items; it does not show that every item can be fixed.

Safety and supervision would limit the club. Adults should select suitable tasks and handle tools that students are not authorised to use. The trial should record which repairs last before the school expands it.

Writing detective

1. Identify the main claim and one reason.
2. What does the practice record support—and not support?
3. Why should the trial record repairs that last?

Notice and explain

A. Everyone knows repairs save lots of money.
B. Eight of 20 pencil cases in a fictional class record had seams judged repairable.
Which is evidence? What still needs checking?

Year 6 English | A School Repair Club?

Think and plan | Separate claims, reasons and evidence

Aussie Primary Academy | Writing Growth

Your writing task

Write to the principal: Should our school create a repair club? Take a position, explain two reasons and evaluate supporting evidence. Use the explicitly fictional practice record or verify a real source. Never present invented data as real.

Claim and audience

Write to the principal. State a qualified proposal.

Reason 1 and evidence

Use the practice record or a verified source. Explain the link and a limit.

Reason 2 and support

Add a distinct reason. Explain it with a relevant example or verified evidence.

Concern and response

Address safety, cost or supervision realistically.

Conclusion and evaluation

What should a trial measure before any expansion?

Year 6 English | A School Repair Club?

Edit and improve | Show what changed

Aussie Primary Academy | Writing Growth

Read your draft aloud

[ ] My claim and reasons are distinct.
[ ] I identify the source of evidence.
[ ] I explain what the evidence supports and its limits.
[ ] My conclusion reflects safety conditions and uncertainty.

One focused improvement

Before: The club will fix everything.
After: A supervised trial could test which simple items can be repaired safely.
Narrow an unsupported claim and explain what evidence would test it.

My before-and-after revision

Original sentence(s):

Improved version:

Explain your change

My change helps the reader because _____

Final writing check

[ ] I checked capitals, punctuation and spelling.
[ ] I read my work to check meaning.
[ ] I can explain one useful improvement.

Teaching sequence

Read and discuss the model, plan orally, then draft and revise. Split across sessions and adjust to the learner. Year 2 may write a shorter text or draw before drafting. Supply extra paper when needed. Models are examples, not scripts to memorise.

Answers and acceptable alternatives

Claim: trial a supervised repair club. Reason: fewer replacements for suitable items. The fictional record suggests some seams may be repairable, not that all items can be repaired or that savings are guaranteed. Lasting repairs provide better evidence than initial attempts.
Notice task: B is a specified fictional practice observation, not real research. Actual repair success, cost, time and wider applicability still need checking. A is an unsupported assertion.

Support, challenge and coaching

Support: Colour-code a claim, a reason and a piece of evidence before planning.
Challenge: Compare two possible evidence sources for relevance and reliability.
Ask: Is that a reason, an example or evidence? How do you know?

Observe learning and check transfer

For each page 4 target skill, record Not yet / With support / Independently. Note adult prompting or scribing. Give one next step and let the child revise.
Later task: Should Our School Start a Reuse Station?. Hide the model and check the same skill on a new task. Accept other responses that satisfy the criteria.

Curriculum scope

Supports selected aspects of AC9E6LY06: creating and editing texts appropriate to purpose. This pack focuses on separate claims, reasons and evidence. It does not cover the whole year-level curriculum.
