4. Wednesday, Friday, Sunday. Circle Saturday and Sunday.
5. School days: Wednesday, Friday, Monday. Weekend: Sunday, Saturday.
6. Answers will vary. Accept any sensible event connected to the chosen day.

Quick oral check

- What comes after Tuesday?
- Which time comes after lunchtime?
- What day comes after Sunday?
- Name one thing you do at night.

Parent/Teacher Tip

Use real routines to make time words meaningful. Ask your child to describe what happens first, next and last during a familiar day. Point to a calendar and say the days together, noticing that the weekly sequence repeats.

I can...

- ☐ name morning, lunchtime, afternoon and night.
- ☐ say the days of the week in order.
- ☐ put familiar events in order.
- ☐ tell a school day from a weekend day.

Support

Read instructions aloud, use picture cards, and allow oral answers. Extend learning by asking: What happened yesterday? What will happen tomorrow?
