LEARNING INTENTION

I can use strong describing words and the word "because" to share my opinion about a book, show, game or place, and give reasons for my preference.

I CAN…

- ✓ use opinion words to say how I feel
- ✓ join my opinion to a reason with "because"
- ✓ give a specific, interesting reason

KEY STRATEGY AND WORKED EXAMPLE

An opinion tells what **you** think or feel. A reason tells **why**. The best reasons are **specific**.

Opinion I loved the school camp **because**
we toasted marshmallows and told stories around the fire.

Weak reason: "because it was good." Strong reason: a detail that shows what made it good.

Opinion words: hilarious • fantastic • thrilling • terrific • dull • boring • confusing • disappointing

A. TRY TOGETHER – USE THE STRATEGY

1. **Circle the opinion words** (write them on the line): The movie was hilarious. The costumes were amazing but the ending was boring.

_____

2. Join with **because**: I like Maths. It is like solving puzzles.

_____

_____

3. Finish the sentence: My favourite part of the story was _____ because _____

_____

B. CORE PRACTICE – SHOW YOUR THINKING

4. **Sort the opinion words** into positive and negative: terrific, dull, fantastic, boring, thrilling, confusing

Positive	Negative

B. CORE PRACTICE (CONTINUED)

5 **Which reason is stronger?** Tick one and explain why.

☐ I like the book because it is good.

☐ I like the book because the dragon was funny and made me laugh out loud.

6 Make this sentence stronger. Replace **good** with a more exact word and add a reason: The park is good.

7 Write one sentence about your **favourite food**. Use an opinion word and **because**.

C. CHALLENGE – WRITE AND JUSTIFY

8 Write a **mini review** (4 to 5 sentences) of a book, movie, game or place you know well. Use at least 2 opinion words, "because" and 2 specific reasons. End by saying who would enjoy it.

9 Ava loved the beach day. Ben said the beach day was boring. Write a polite sentence that **disagrees** with Ben and gives a reason.

Watch Out! "Because it was good" is not a reason. Ask yourself: what exactly made it good? Add one detail.

💡 **Parent Tip:** At dinner, ask "What was the best part of your day and why?" Encourage your child to give one detail, not just "it was fun".

ANSWERS

1. hilarious, amazing, boring

2. I like Maths because it is like solving puzzles.

3. Open response. Look for an opinion, the word "because" and a reason that matches the opinion.

4. Positive: terrific, fantastic, thrilling. Negative: dull, boring, confusing.

5. The second sentence is stronger because it gives a specific detail (the funny dragon) instead of a vague word ("good").

6. Sample: The park is fantastic because it has a giant slide and shady trees. Accept any precise word plus a real reason.

7. Open response, for example: Pizza is my favourite food because the cheese is melty and I can share it.

8. Open response. See checklist below.

9. Sample: I disagree with Ben because we built sandcastles and splashed in the waves all day.

TEACHER NOTES

Marking checklist for Q8: at least 2 opinion words • the word "because" used correctly • 2 specific reasons (not just "it was good") • a recommendation sentence • capital letters and full stops.
Common errors: vague reasons, a reason that does not match the opinion, and repeating the same opinion word throughout.
Support: offer sentence starters: "I loved... because...", "My favourite part was...", "I would recommend it to...".
