Year 1 Mathematics – 2D Shapes Worksheet

I can: Identify and draw 2D shapes!

Name: _____

Date: _____

Page 1 – Let's Learn Shapes!

1 Circle the correct shape name

- a)  Circle / Triangle / Square
- b)  Rectangle / Square / Circle
- c)  Triangle / Circle / Rectangle

2 Write the name of each shape

- a)  = _____
- b)  = _____
- c)  = _____
- d)  = _____

3 Match the shapes to their names

Triangle →

Circle →

Square →

Rectangle →

*Draw a line to connect the matching pairs.

4 Find and colour

Colour all the **circles**

Colour all the **triangles**

5 Count the shapes

   How many triangles? ____

  How many circles? ____

6 Draw the shapes

Draw a **triangle**

Draw a **square**

Draw a **circle**

7 Real-life shapes

Ball = _____

Door = _____

Pizza slice = _____

8 Think and answer

a) Which shape has **3 sides**? _____

b) Which shape has **4 equal sides**? _____

9 Odd one out

Circle the shape that is different:

10 Challenge Question

Draw your **favourite shape** and name it:

Name: _____

Great Work! Keep Practising Shapes!

Parent / Teacher Tip

Let your child touch and trace real shapes at home — a plate for circle, a book for rectangle, a slice of toast cut diagonally for triangle. Naming the shape out loud while tracing it helps the word and the form stick together in memory.

✓ Answer Key

1. a) Triangle b) Square c) Circle
2. a) Triangle b) Square c) Circle d) Rectangle
3. Triangle→ , Circle→ , Square→ , Rectangle→ 
4. Colour all circles and triangles as shown
5. Triangles = 3, Circles = 2
6. Check child's drawings match each shape name
7. Ball = Circle, Door = Rectangle, Pizza slice = Triangle
8. a) Triangle b) Square
9. The circle is the odd one out (the others are triangles)
10. Answers will vary — check the shape is drawn and named correctly
