Writer's Toolkit: Similes & Metaphors

A **simile** compares two things using "like" or "as" (e.g. "as brave as a lion").

A **metaphor** says one thing IS another to create a strong picture (e.g. "the classroom was a zoo").

Example: "The wind howled like a hungry wolf" (simile) "The sun was a golden coin" (metaphor)

High-Five Tips for Parents & Teachers

Poetry doesn't need to rhyme — focus on strong images and feelings instead.
Read a short weather poem together first so your child hears how powerful short lines can be.
Encourage one line per sense (sight, sound, feeling) to build variety.
Ask 'what does that sound/look like?' to prompt fresh comparisons.
Celebrate unusual, original images rather than the first idea that comes to mind.
