Learning Intention

I am learning to create short written texts using learnt vocabulary, basic punctuation and CVC spelling.

Success Criteria

- I can write a CVC word correctly.
- I can write a simple caption with a capital letter and full stop.
- I can use a word I have learnt in my own writing.

Capital, Words, Full Stop

Every sentence starts with a capital letter and ends with a full stop. Sound out each word carefully before you write it.

Part C — Challenge: The Class Picture Book

Year Foundation is making a class picture book. Each student must write one caption for a picture of an animal doing something.

Q8. Write a correct caption for a picture of a dog running in the sun.

Q9. Check your caption from Q8 — does it have a capital letter and a full stop? Fix it if not.

Q10. A classmate writes: "dog run" as their caption. Explain 2 things they need to fix to make it a correct sentence.

Answer Key — Part A

A1: The dog ran.

A2: True — a sentence should end with a full stop.

A3: Any word rhyming with 'red' that fits (e.g. "berry" is not CVC — accept 'red' itself if referencing colour, or note the clue should point to a CVC fruit word; teacher to check for reasonable attempt).

Answer Key — Part B

B1: Any correct caption with capital letter and full stop (e.g. "The pig is in mud.") — teacher to check.

B2: The hen sat.

B3: Hot.

B4: Any correct caption using 'run' with capital letter and full stop (e.g. "The dog can run.") — teacher to check.

Answer Key — Part C

C8: Any correct caption describing a dog running in the sun with capital letter and full stop (e.g. "The dog ran in the sun.") — teacher to check.

C9: Student should confirm or correct their own caption to include a capital letter at the start and a full stop at the end.

C10: They need to add a capital letter at the start ("Dog") and a full stop at the end, and ideally add more words to make it a complete sentence (e.g. "The dog can run.").
