

Data and Graphs

Year 2 Mathematics | ACARA Final APA Version

Name: _____

Date: _____

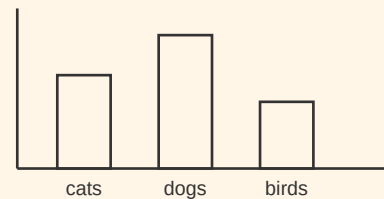

ACARA v9.0: AC9M2ST01 - acquire data for categorical variables; AC9M2ST02 - create and compare different graphical representations of data.

Learning Intention

I can collect data, read a simple graph and answer questions.

Strategy Box

Data is information. A tally chart helps us count. A picture graph or bar graph helps us compare.

Worked Example

Favourite fruit votes: apples 5, bananas 3, oranges 2. Apples have the most votes because 5 is the greatest number.

A. Warm Up

Start strong! Use the example to help you.

1. Which is more: 6 votes or 4 votes? _____

2. A tally of |||| means _____

3. A graph helps us _____ data.

Data and Graphs

Year 2 Mathematics | Build, Think and Explain

Name: _____

Date: _____

ACARA v9.0: AC9M2ST01 - acquire data for categorical variables; AC9M2ST02 - create and compare different graphical representations of data.

B. Build Your Skills

Great thinking! Show your strategy.

1. Read the data: cats 4, dogs 7. Which has more?

2. Birds 3, fish 6. How many altogether?

3. Apples 5, bananas 5. What do you notice?

4. Make a tally for 8 votes.

C. Word Problem

A class votes for pets: dogs 9, cats 6, rabbits 4. Which pet is most popular? How do you know?

D. Maths Challenge

Think like a mathematician. Write one question you could ask the class and list three possible answers.

I Can Checklist

- ☐ I can read data.
- ☐ I can compare data.
- ☐ I can answer graph questions.

Data and Graphs - Answer Key

Year 2 Mathematics | Teacher Notes

Name: _____

Date: _____

ACARA v9.0: AC9M2ST01 - acquire data for categorical variables; AC9M2ST02 - create and compare different graphical representations of data.

Answer Key

- A. Warm Up: 1) 6 votes. 2) 4. 3) compare/read.
- B. Build Your Skills: 1) dogs. 2) 9. 3) they are equal. 4) |||| ||| or a tally showing 8.
- C. Word Problem: Dogs are most popular because 9 is the greatest number.
- D. Answers will vary; question should collect categorical data.

Parent/Teacher Tip

Use real class data, such as favourite fruits or ways to travel to school. Children engage more when the data is theirs.

Extension Idea

Survey five people, make a tally chart and write two comparison sentences.
