A Sunny Walk

Sam and Nan walk in the sun. They spot a red bug on a log. The bug has six legs. Sam smiles and draws it in his book.

Think carefully

1. Who walks with Sam?

2. What colour is the bug?

3. Where is the bug?

4. Draw the bug and show six legs.

My response

Mixed challenge + reflection

Choose two screen-free challenges

One success:

One Term 4 goal:

Answers and guidance

Reading: Nan; red; on a log; drawing varies. Words: sock; dog; letter formation varies; cat, pig, hat; tick after reading. Number: 9, 11; 12; drawing shows 14; 17; 9. Operations: 5; 9; 5; 8; 7. Applied: circle, square; drawing varies; bee; rock; two of four boxes.

Writing guidance

Writing answers vary. Check that the response follows the prompt, communicates a clear idea and uses punctuation expected at this year level. Praise one strength before choosing one improvement.

A note for adults

Use mistakes as information. Return to one worked example instead of adding extra pages. The purpose is confidence and continuity, not holiday testing.
