Number Lines and Number Charts

Aussie Primary Academy | Year 1 Maths | AC9M1N01

Name: _____ Date: _____

LEARNING INTENTION

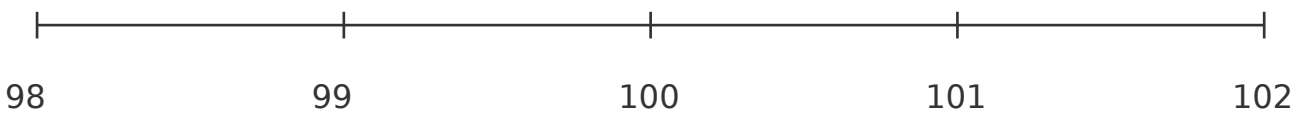

Read and complete number lines and a 10-column number chart.

LEARNING TARGET

I can check the step and use numbers around a gap.

KEY STRATEGY + WORKED EXAMPLE

Check two labelled ticks. This line has equal steps of 1.

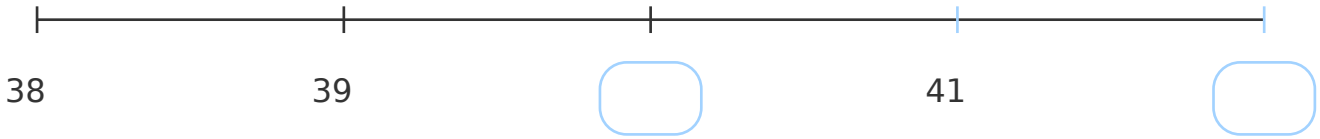

On this chart: right adds 1; down adds 10 in the same column.

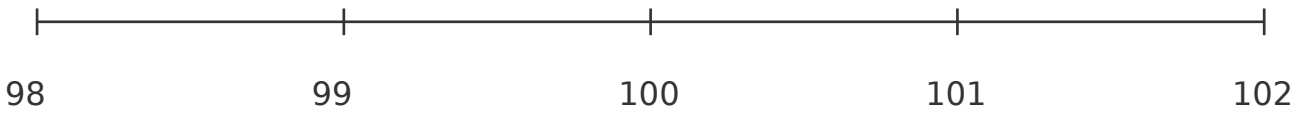

Example: directly below 96 is 106. Check: 96 + 10 = 106.

A. TRY TOGETHER - USE THE STRATEGY

1. Fill the gaps. Each tick is one more.

2. Point to 100. Explain how the labels help.

Number Lines and Number Charts

Aussie Primary Academy | Year 1 Maths | AC9M1N01

Name: _____ Date: _____

B. CORE PRACTICE - SHOW YOUR THINKING

1. Fill the gaps. Each tick increases by 1.

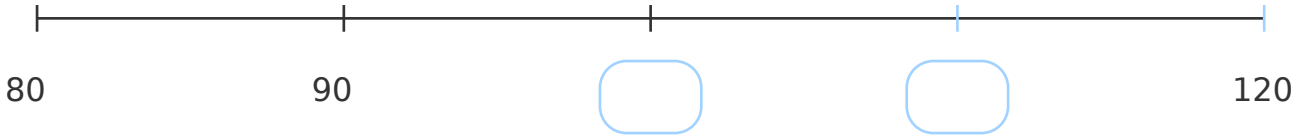

2. Complete this 10-column chart. Read each row left to right.

91	92		94	95		97	98		100
101		103	104		106	107		109	110
	112	113		115	116		118	119	

C. INDEPENDENT PRACTICE - CALCULATE AND CHECK

3. Each tick increases by 10. Fill the gaps.

4. On the chart: directly below 97 is _____. Directly above 115 is _____.
Explain one answer.

Number Lines and Number Charts

Aussie Primary Academy | Year 1 Maths | AC9M1N01

Name: _____ Date: _____

D. ANALYSE & APPLY - REASON, CHECK AND CORRECT

1. Ava says the blank is 101. Is she right? Correct it: _____

Explain using the size of each step.

2. A library book has number 106. Circle 106 on your chart. Write the numbers directly above and below it: _____, _____.

E. EXIT TICKET + CHALLENGE

Exit: directly below 109 on the chart is _____.

Challenge: Draw five equally spaced ticks. Label a line from 100 to 120 with equal steps. What is each step? _____

F. STUDENT REVIEW - SHOW WHAT YOU UNDERSTAND

Circle: I check the step. / I need help checking the step.

My next practice: _____

Number Lines and Number Charts

Aussie Primary Academy | Year 1 Maths | AC9M1N01

Name: _____ Date: _____

ANSWER KEY

A1: 40, 42. A2: Locate the labelled 100 tick; explanations vary.

B1: 107, 109. B2 chart gaps: 93, 96, 99; 102, 105, 108;

111, 114, 117, 120 (row order).

C3: 100, 110. C4: 107; 105.

D1: No, 100; each step adds 10. D2: 96, 116.

E: 119. Challenge: 100, 105, 110, 115, 120; step 5.

F: Responses vary.

COMMON MISCONCEPTIONS

Assuming every tick adds 1: read labelled ticks first.

Counting ticks instead of spaces: show one jump per space.

Down adds 10 only on this 10-column chart, not every chart.

PARENT / TEACHER CHECK

[ ] Uses an appropriate Year 1 Maths strategy.

[ ] Shows or explains thinking clearly.

[ ] Checks using evidence, a rule, or a second method.

[ ] Identifies a difficulty and useful next practice step.

PARENT / TEACHER TIP

Ask the child to point to the ticks or chart cells used as evidence. Model one jump at a time; keep spaces equal on number lines.

NEXT STEP

Revisit a tricky line with labelled ticks, then cover one label.
