The old **lighthouse** stood on the rocky coast.

Every night, its **bright** beam swept across the sea.

A sailor named **Rosa** saw the light from far away.

She **steered** her boat **safely** past the rocks.

"That lighthouse **saved** my life!" she said.

The next morning, Rosa **climbed** the steep steps.

She **thanked** the lighthouse keeper, old Mr **Bream**.

He smiled and said, "That is what I am here for."
