EXIT. 26) Teacher checks exact spelling.

Challenge: Answers vary. Check that the student's example follows every condition and that the reasoning is mathematically correct.

F. 27-28) Answers vary. Look for a clear strategy and a valid second check. 29-32) Use the reflection to identify confidence, difficulty and the next teaching step.

COMMON MISCONCEPTIONS

Avoid relying only on visual memorization. Connect known sound-letter patterns with the small unexpected part of each word.

TEACHER CHECK

☐ Uses an appropriate Grade 1 strategy.

☐ Shows or explains thinking clearly.

☐ Checks an answer using a second representation or related fact.

☐ Identifies a specific difficulty and useful next practice step.

PARENT / TEACHER TIP

Ask the child to explain how they know, not only state an answer. If the explanation is unclear, use small objects, a drawing, or a number line before returning to symbols.

NEXT STEP

Revisit the item the child marked difficult. Model one example, solve one together, then ask the child to complete one independently and explain the strategy.
