

AUSSIE PRIMARY ACADEMY

YEAR 5 SPRING SCHOOL HOLIDAY LEARNING PACK

5 DAYS | 15-20 MINUTES A DAY

Critical reading, persuasive writing, fractions and decimals

Keep skills fresh and feel ready for Term 4

Name: _____

Start date: _____

Welcome, grown-ups!

Parent guide + 5-day plan

A calm holiday routine

Complete one short session each day. Read directions together, let your child try, and stop after 20 minutes. Help with reading or materials, but keep the experience encouraging rather than test-like.

Five-day plan

Day 1	Read and respond	Page 3
Day 2	Word work and writing	Pages 4-5
Day 3	Number and operations	Pages 6-7
Day 4	Applied maths	Page 8
Day 5	Challenge and reflect	Page 9

Parent script

"Show me what you notice. Which part can you try? If you get stuck, we will solve one example together."

A Better Use for an Empty Corner

An unused corner of the library courtyard collected leaves and plastic wrappers. A Year 5 group proposed turning it into a quiet reading garden. Their plan included native plants, two weather-resistant benches and a small book-exchange box. Some adults worried about cost and maintenance, so the students compared prices, created a watering roster and asked a local nursery to donate seedlings. Their proposal did not ignore the problems; it answered them. The principal approved a small trial because the group had combined imagination with evidence.

Think carefully

1. What problem did the students identify?

2. List two features of their proposal.

3. Why were price comparisons and a roster persuasive?

4. Explain: Their proposal did not ignore the problems; it answered them.

5. What was the principal's decision and why?

My response

Draw or explain the detail you found most interesting.

Language choices

1. Define maintenance in context: _____

2. Replace said: The group said their plan was practical.

3. Add modality: The school _____ create a reading garden.

4. Combine using however: The idea was exciting. It required planning.

5. Edit: the students proposal included plants benches and books

Use a new word

Choose one word from this page and use it in your own sentence.

Day 2 - Write with purpose

English - Writing

Persuade your school

Write a persuasive paragraph supporting one low-cost school improvement. Use a clear contention, two evidence-based reasons, strong modality and a concluding call to action.

Plan first

My main idea

Important detail 1

Important detail 2

Strong ending

Write

Day 3 - Number confidence

Maths - Number

Decimals and number properties

1. Value of 7 in 45.783 = ____

2. Order: 3.09, 3.9, 3.19, 3.109

3. Round 18.764 to one decimal place: ____

4. List all factors of 24: _____

5. First three multiples of 9 greater than 20: _____

Show your thinking

Show one answer using a drawing, number line or place-value model.

Multi-step operations

1. $6,784 + 9,659 = \underline{\hspace{2cm}}$

2. $20,000 - 8,476 = \underline{\hspace{2cm}}$

3. $326 \times 24 = \underline{\hspace{2cm}}$

4. $1,872 \div 12 = \underline{\hspace{2cm}}$

5. A club buys 18 packs of 24 pencils, then gives away 95. How many remain? $\underline{\hspace{2cm}}$

Check a calculation

Choose one answer and check it using a different strategy.

Fractions, money and measurement

1. $\frac{2}{3} + \frac{1}{6} = \underline{\hspace{2cm}}$

2. $\frac{7}{8} - \frac{3}{8} = \underline{\hspace{2cm}}$

3. Write 0.45 as a fraction out of 100: $\underline{\hspace{2cm}}$

4. A \$48 item is reduced by \$12. New price: \$ $\underline{\hspace{2cm}}$

5. Area of a 7.5 m by 4 m garden = $\underline{\hspace{2cm}}$ square metres

Model one answer

Draw a picture, diagram or model that proves one answer.

Day 5 - Finish strong!

Mixed challenge + reflection

Choose two screen-free challenges

☐ Create a \$50 garden budget with at least four items.

☐ Read for 25 minutes.

☐ Write three persuasive sentence starters.

☐ Record and graph five days of weather.

My reflection

- ☐ I kept trying.
- ☐ I checked my work.
- ☐ I explained my thinking.
- ☐ I asked for help when needed.

One success:

One Term 4 goal:

Answers and guidance

Reading: littered unused courtyard corner; any two listed; they addressed cost and ongoing care with evidence; the plan responded to objections; approved a small trial because the case combined ideas and evidence. Words: ongoing care; argued/explained/proposed; should/could/must with justification; The idea was exciting; however, it required planning.; The students' proposal included plants, benches and books. Number: 0.7 or seven tenths; 3.09, 3.109, 3.19, 3.9; 18.8; 1, 2, 3, 4, 6, 8, 12, 24; 27, 36, 45. Operations: 16,443; 11,524; 7,824; 156; 337. Applied: 5/6; 1/2; 45/100; \$36; 30 square metres.

Writing guidance

Writing answers vary. Check that the response follows the prompt, communicates a clear idea and uses punctuation expected at this year level. Praise one strength before choosing one improvement.

A note for adults

Use mistakes as information. Return to one worked example instead of adding extra pages. The purpose is confidence and continuity, not holiday testing.

Ready for Term 4?

- ☐ Reads directions carefully
- ☐ Uses an appropriate strategy
- ☐ Explains one answer
- ☐ Checks work before finishing
