

Year 2 Writing - Procedure: How to Make a Healthy Snack

Name: _____ Date: _____

ACARA v9.0: AC9E2LY06 - Create short written texts for a familiar audience and purpose using text structure, topic vocabulary, sentence-level grammar, punctuation and editing.

Learning Intention

I can write a simple procedure with materials and ordered steps.

Purpose and Audience

Purpose: To explain how to make or do something.

Audience: Someone who wants to follow your steps.

Procedure Mini Lesson

A procedure uses steps in order. Each step starts with an action verb.

Worked Example: First, wash the apple. Next, cut it into small slices with help from an adult.

Planning Scaffold	My ideas
Goal What will you make?	_____
Materials What do you need?	_____
Step 1 What happens first?	_____
Step 2 What happens next?	_____

Warm Up

Write three action verbs you could use in your procedure.

Useful starters: First..., Next..., After that..., Finally...

Year 2 Writing - Procedure: How to Make a Healthy Snack

Page 2 - Draft, edit and improve

Writing Prompt

Write instructions for making a healthy snack. Use numbered steps and action verbs.

My Draft

Edit and Improve

1. Circle one word you can improve.
2. Add one detail.
3. Check capital letters and full stops.

I Can Checklist

- I named what to make.
- I listed what is needed.
- I wrote steps in order.
- I used action verbs.
- I checked that the steps make sense.

Teacher Feedback

What went well: _____ Next step: _____

Year 2 Writing - Procedure: How to Make a Healthy Snack - Teacher Notes

Support, success criteria and extension

Success Criteria

A strong response has a clear goal, needed materials and ordered steps that another person can follow.

Curriculum Parameter Check

This worksheet includes purpose, audience, planning, text structure, sentence control, topic vocabulary, punctuation support and editing.

Extension Idea

Add a safety tip or serving idea.

Quick Marking Guide

Beginning: needs support to organise ideas or write complete sentences.

Developing: includes a clear idea with some sentence control.

Secure: text structure is clear, sentences make sense, and editing is evident.
