

Telling Time to the Minute

Year 3 Mathematics | Aussie Primary Academy

Name: _____

Date: _____

ACARA v9.0: AC9M3M04 - read and interpret time using analogue and digital clocks.
Supporting: AC9M3M01 - measure and compare duration using formal units of time.

Learning Intention

I can read analogue and digital times and solve simple duration problems.

Strategy Box

Look at the hour hand first, then count minutes by fives around the clock. Use a number line for elapsed time.

Worked Example

If the minute hand points to 6, it is 30 minutes past. 7:30 means half past 7.

A. Warm Up

1. Write the digital time for half past 3: ____
2. How many minutes are in 1 hour? ____
3. Circle the later time: 2:15 or 2:45

B. Build Your Skills

1. A movie starts at 4:10 pm and ends at 4:55 pm. How long is the movie? ____ minutes
2. School lunch begins at 1:20 pm and lasts 40 minutes. What time does it finish? ____
3. Write another way to say 8:45. _____

C. Strong Challenge

1. Ethan practises piano from 5:35 pm to 6:10 pm. Explain how to find the total practice time. _____

I Can Checklist

- ☐ I can read digital time.
- ☐ I can connect analogue and digital time.
- ☐ I can solve duration problems.

★ High Five!

You managed time like a timetable expert!

Parent Tip - At Home

Use real routines: "If dinner starts at 6:10 and dessert appears 20 minutes later, when does the magical dessert arrive?"

Teacher Tip - In Class

Use an open number line for elapsed time. Jump to the next hour, then count the remaining minutes.

Teacher Feedback

Strength: _____ Next step: _____

Telling Time to the Minute - Answer Key

Year 3 Mathematics | Teacher Notes

Name: _____

Date: _____

ACARA v9.0: AC9M3M04 - read and interpret time using analogue and digital clocks.
Supporting: AC9M3M01 - measure and compare duration using formal units of time.

Answer Key

Warm Up: 1) 3:30. 2) 60 minutes. 3) 2:45.

Build: 1) 45 minutes. 2) 2:00 pm. 3) Quarter to 9.

Strong Challenge: 5:35 to 6:00 is 25 minutes, then 6:00 to 6:10 is 10 minutes; total 35 minutes.

Parent/Teacher Extension

Ask students to write a mini timetable for three activities and calculate the time between them.
