COMMON MISCONCEPTIONS

Children may guess from the first letter or picture. Prompt them to look through the whole word, blend, and check meaning.

TEACHER CHECK

☐ Uses an appropriate Foundation English strategy.

☐ Shows or explains thinking clearly.

☐ Checks a response using evidence, a rule, or a second method.

☐ Identifies a specific difficulty and useful next practice step.

PARENT / TEACHER TIP

Ask the child to explain how they know, not only state an answer. Have them point to the text evidence or language rule, then revise one response aloud.

NEXT STEP

Revisit the item the child marked difficult. Model one example, solve one together, then ask the child to complete one independently and explain the strategy.
